Minutes from meeting of February 2, 2010

In attendance: Nick Ragusano, Millie Butler, Giles Turner, Ursula Woodard, Dick Glock

District Art Show Update:

Some schools have had difficulties with concept and vocabulary of show. But others are involved in project. Arts Council is buying materials to make "Shadow Boxes" and Millie provided books. ASAF members reviewed Power Point presentation on assemblage. This presentation teaches them how to approach and execute the art show theme. Millie will attempt to advertise date of show to improve attendance.

Date: Tuesday, March 9, 2010, 4:30 (for reception)

Finances:

Balance as of year-end--\$7,759.02, which includes negative revenue from Cabaret: -\$16.78.

Possible affiliation with Amador County Arts Council

No steps are being taken at present because Amador County Arts Council is reorganizing. We will contem when the time is right. Millie will present our proposal about our affiliation. Details will be decided. The Amador County Arts Council is willing to support schools financially but needs ASAF guidance. ASAF would retain logo and identity, changing its name to Amador Schools Arts Fund. Affiliation would provide additional volunteers for events and help ASAF broaden its base.

ASAF Website:

We will chang host from CWNet to Just Host soon du to CWNet's unreliability.

Extravaganza:

Spring date would be better.

Cabaret:

Fall date is good
Giles Turner will try to set up date for November 6, 2010, with November 5th for set up and dress rehearsal and November 7th for final clean up.

Next meeting set for February 2, 2010 in Millie Butler's room at Amador High School.

The arts are the foundation of all education.
